

# Grow with a recruitment leader in Dublin and Cork

Develop your career with The Berkley Recruitment Group based in either Dublin or Cork. If you feel you are just a number with a multinational, or have nowhere to go with an unambitious company, then we offer excellent career potential, extremely lucrative remuneration, together with a flexible working environment and personalised coaching, training and support.

We are looking for target driven, competitive individuals to recruit with many of Ireland's leading companies, offering a low volume high quality service in line with our brand and reputation.

We are looking to significantly expand both our Dublin and Cork operations, where we are about to open a newly constructed state of the art office building to accommodate our growth plans.

*We have opportunities at all levels, from trainee to management, so please call for an initial confidential discussion.*
